Instructions for Mail-in Sharpening Service

Thank you for trusting me with your knife sharpening! You can count on my craftsmanship where each knife is individually hand sharpened and ready for shipment in just 1-2 days. Here's how to order:

- Complete the Order Form on the next page. Select the Sharpening Service that best suits your needs, and if you need help just ask! Insuring your knives for the return trip is recommended so please indicate the insured value from the chart.

- Select payment method. If paying by check, please include in shipment. If you prefer to pay with credit card or PayPal, you will receive a Paypal invoice via email upon receipt of your knives. Be sure to include your email address and double check for accuracy.

- Sign the order form acknowledging that you are at least 18 years of age and are assuming all liability. Your knives will be returned razor sharp so be careful!

- Package your knives for shipment. A quick and simple method is to wrap them diagonally, fold the ends over and tape. Pack the wrapped knives along with extra newspaper so that the knives do not rattle around in the box. Enclose the order form and payment, and securely tape box closed.

- Attach mailing label below and send package! You will receive a confirmation email as soon as we receive your package so you can track the status of your order.
